Good Morning,

I received a message from Brynn Vollmer from Military Kids United filled with praises of our Camp and thanking us for the opportunity to present Camp Desert Kid to our DE Guard kids. She included this video posted on YouTube that is just AWESOME! I was hoping there is a way this can be share with the Guard members, especially the families that attended the camp. If you can send it out, I'm sure those families would enjoy seeing it!

Thanks!

Kim
