DELAWARE ARMY NATIONAL GUARD
ENVIRONMENTAL POLICY STATEMENT
4 March, 2010

The Delaware Army National Guard is a trained, professional force ready to accomplish its mission with citizen-soldiers committed to preserving the timeless traditions and values of service to our nation and communities. Our mission is to maintain properly trained, equipped and disciplined forces ready to respond to domestic emergencies and federal mobilization.

The Delaware Army National Guard is committed to environmental stewardship while meeting the demands of our mission.

Through sound environmental management the Delaware Army National Guard is committed to:

- Continuous improvement and progress in the prevention of pollution.
- Compliance with Federal, State, Local, Army and National Guard Bureau Regulations regarding the protection of the environment.
- Personnel are expected to be stewards of environmental protection by implementing current procedures, practices and policies and by bringing deficiencies to the attention of top management.
- Monitor our performance on a regular basis by setting and reviewing environmental management objectives.
- Work with interested groups and make our environmental management goals available to the public.
